

# ACCEPT IT FOR VALUE RETURN IT FOR VALUE

Version 1.0

*Private document, For entertainment purposes only, this is not legal advice.*

*By: Ryun Shofner*

### **Quick Note:**

*This is strictly a administrative/contract remedy, We are not tendering payment. There is no money to pay anything... The contracts are already in place in the background. We are simply accepting the credits they have established and authorizing them to set-off the debt with the said credits.*
